Let's go!

We are gonna have some fun  
Riding horses in the sun  
Looking for adventure  
Riding with the wind  
It just makes me wanna sing

We're on top of the world  
Feeling so high  
We just wanna be free  
We're on top of the world  
Having fun in the sun  
Just you and me

Let's go!

Let's all go out for a ride  
There's no time to be inside  
Let's go chase a rainbow  
Yellow, red and blue  
I don't care as long as it's with you

We're on top of the world  
Feeling so high  
we just wanna be free  
We're on top of the world  
Having some fun  
Just you and me

We're on top of the world  
Feeling so high  
We just wanna be free  
We're on top of the world  
Wouldn't change anything  
I just wanna be me

Let's go!

I can hear you call my name  
Are you gonna come and play

I can hardly wait for the break of day  
It just makes me wanna say

We're on top of the world  
Feeling so high  
We just wanna be free  
We're on top of the world  
Having some fun  
Just you and me

We're on top of the world  
Feeling so high  
We just wanna be free  
We're on top of the world  
Wouldn't change anything  
I just wanna be me

Let's go!
