Dear friend, I hope you read this card  
A message from afar  
Just a word or two to say that I'm okay  
I think of you all the time

I recall the things we used to do  
Those lazy afternoons  
It seemed those scenes would never end  
With my best friend  
Then the picture turned white to blue

Now I'm out on a limb again  
So far from my dear best friend  
I don't wanna cry, so I think that I'll hide  
To a place where I can be on my own

Remembering the days in the yard  
Laughing at nothing, still laughing so hard at  
The silly things, that just we could see  
Our world full of wonder, we captured our dreams

Out on a limb again  
So far from my dear best friend  
I don't wanna cry, so I think that I'll hide  
To a place where I can be on my own

So now before I sign away  
There's one more thing to say  
Although the space between us seems to deny our  
dreams  
Someday we'll find our way

Now I'm out on a limb again  
So far from my dear best friend  
I don't wanna cry, so I think that I'll hide  
To a place where I can be on my own

Out on a limb again  
Out on a limb again  
Out on a limb again  
I'm out on a limb again
