Oh, I'm not a fool boy, I know you've been hanging  
around  
I think it's time a way was found to open your heart to  
me  
So, take my advice now, stop this masquerade  
Aien't it time we made a start to our romance

Sooner or later you're gonna have to make up your  
mind  
(Make up your mind)  
Don't waste my time anymore, sooner or later!  
So take it or leave it, baby I see that you're messing  
around  
Please don't let me down, baby come on and love me

So, what do you say now?  
I'm tired of playing cat and mouse  
Baby, let's play house, baby come on  
And give me your answer

Sooner or later you're gonna have to make up your  
mind  
(Make up your mind)  
Don't waste my time anymore, sooner or later!

Hey, come on, do you wanna be by my side  
Or are you gonna stay home and cry you've got to hold  
me  
(Sooner or later)  
Love me (Sooner or later)  
Kiss me (Sooner or later)  
Come on, oh yeah!

Sooner or later  
Sooner or later  
Sooner or later  
Sooner or later

Sooner or later you're gonna have to make up your  
mind  
(Make up your mind)

Don't waste my time anymore, sooner or later!  
So take it or leave it, baby I see that you're messing  
around  
Please don't let me down, baby come on and love me

Sooner or later, sooner or later  
Sooner or later, yeah  
Sooner or later, sooner or later  
Sooner or later, yeah

Sooner or later you're gonna have to make up your  
mind  
Sooner or later you're gonna have to make up your  
mind

Sooner or later, sooner or later  
Sooner or later, yeah!  
Sooner or later, sooner or later  
Sooner or later, yeah!

Sooner or later, sooner or later  
Sooner or later, yeah!  
Sooner or later, sooner or later  
Sooner or later, yeah!
