I'm gonna be the best that I can
I'm gonna move mountains if I can
I'm gonna wish to reach for the sky
I know that I'll get there if I try

When you look round the corner
With a smile on your face and the world in front of you
Doesn't get any better
When your friends gather round and they'll always
laugh with you
Anything can happen
If you believe

I'm gonna be the best that I can
I'm gonna move mountains if I can
I'm gonna wish to reach for the sky
I know that I'll get there if I try

When you're faced with a challenge
All you need is some hope and your dreams will see
you through
When you reach your horizon
You can start up again cuz the rest is up to you
Anything can happen
If you believe

I'm gonna be the best that I can
I'm gonna move mountains if I can
I'm gonna wish to reach for the sky
I know that I'll get there if I try

If I try
I know that I'll get there
If I try

I'm gonna be the best that I can
I'm gonna move mountains if I can
I'm gonna wish to reach for the sky
I know that I'll get there if I try

The best that I can

The best that I can

I'm gonna be the best that I can
