There's a boy with amazing eyes
I feel perfect, I feel shy
Does he notice me today
Will there ever be a way

I feel him, I'm near him
I know him, I'll show him
That I am the one for him
I'm right here, he's the one for me

There's a boy I wish would stay
Will there ever be a way
For me to tell him how I feel
Can we ever make it real

I feel him, I'm near him
I know him, I'll show him
That I am the one for him
I'm right here, he's the one for me

How can I be so close but not get through
Is there a chance he feels the same way too

How's my hair
What bout my clothes
Do you think my shiner shows
Cuz he's so cute and cool enough
I want a kiss, oh could it be love

I feel him, I'm near him
I know him, I'll show him
That I am the one for him
I'm right here, he's the one for me

I'm near him
I know him, I'll show him
That I am the one for him
I'm right here, he's the one for me

I'm near him
I know him, I'll show him

That I am the one for him
I'm right here, he's the one for me
