we can be sweet
we can be brats
sometimes we fight like sisters
then make up just like that
we can do anything that big girls can do
yeah, we're gonna show you

that everything we do, we always end up in trouble
I don't know why it is, we always end up in trouble
well everything we try, we always end up in trouble
yeah every enterprise, seems to land us in trouble

we can be charming
we can be kind
we can keep secrets that you'll never find
you know that often grownups
just don't understand
sometimes you need to disappear

cuz everything we do, we always end up in trouble
I don't know why it is, we always end up in trouble
well everything we try, we always end up in trouble
yeah every enterprise, seems to land us in trouble

we are hockey stars, journalists, actors nurses
pedicurists,
horse groomers, champion riders, newspaper
proprietors
manicurists, dry cleaners, buisness women, hamster
breeders
writers, singers, dancers, spies

but everything we do, we always end up in trouble
(woo)
I don't know why it is, we always end up in trouble
well everything we try, we always end up in trouble
yeah every enterprise, seems to land us in trouble

but everything we do, we always end up in trouble (ha
ha ha ha ha)
I don't know why it is, we always end up in trouble

(Rats!)
well everything we try, we always end up in trouble
(humph)
yeah every enterprise, seems to land us in trouble!

wow! woo!
let's go
trouble
yee for haw Yee Haw! come on
trouble
sing it with me again once more!
trouble
just one more time anytime
trouble
