Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
What did you do?  
I didn't do anything!

Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
What did you do?  
I didn't do anything!

Angel eats too much  
Your'e making such a fuss  
She's less like a pony and more like a hippopotamus

I only gave her hay  
More likely creme brule  
Hey that's not fair  
And chocolate eclair and a big cake for her birhtday

Oh great now I'm in trouble and I didn't do a thing  
You know what's worse she's about to burst and it's  
really quite  
disturbing

Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
What did you do?  
I didn't do anything!

Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
What did you do?  
I didn't do anything!

Da da da, da da da, da da da  
Hey Hey!  
da da da, da da da, da da da

Hey Hey!  
da da da, da da da, da da da  
Hey Hey!  
Ahh, whoo!

Da da da, da da da, da da da  
Hey Hey!  
Da da da, da da da, da da da  
Hey Hey!  
Da da da, da da da, da da da  
Hey Hey!  
Ahh, Yeah yeah yeah yeah yeah

Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
What did you do?  
I didn't do anything!

Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
What did you do?  
I didn't do anything!

Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
What did you do?  
I didn't do anything!

Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
Uh-oh, uh-oh, uh-oh  
What did you do?  
I didn't do anything!  
Hey!
