Is my eyeliner straight?
Do you think this shirt is out of date?
I need a new pair of ugh boots cuz winter's on the way
Can't leave home without a compact
Or lost without my make-up purse
A grass stain is a tradgedy
sigh A split seam is so much worse

The way some people dress, you just have to smile
But our taste is the best
We got style
We got style

Well, I have been to Euope and I've studied the best
A broken nail is one sure way to make a girl depressed
Where do people buy their clothes? Did they find them
in a ditch?
Life would be much nicer if everyone was rich
Just like us. Mmm

Come on and take my photo, I'm better in profile
You're better with your helmet on
We got style
We got style

Did you do something to your hair? You look taller
today
It's because I have good posture, which is better than
slumping in the
saddle, I must say
I don't slump!
The camera really loves me
But not as much as you love yourself
Do you think this top suits me?
Maybe.
What do you mean maybe?
Well, as in a maybe if you were still twelve
ah

Candy kiss, lipstick, eyeliner and blush
Nailfile, polish, tweasers, cuticle shaker, hairbrush

I don't suppose you thought to bring a mirror.
Uh, no. Can I borrow yours?
As if! *sigh*

We've got the best riding gear that money can buy
We keep a credit card handy should something catch
your eye
We love the summer sales, we love cotuier design
And the new season's cuts are simply devine

Sophisticated, elegant, classy, versatile
Shique, moative, so entrougue
We got style
We got style

So seriously, do you like this top or not? It cost me 300
dollars.
Is that all? Did you get it on sale?
Yeah, mom took me to Milan in January.
You know, you wobble when you ride, don't you?
I do not wobble!
