This is what I know about sacrifice,  
Meet me at the crossroads.  
LET'S GO!

This life, is constant sacrifice,  
I laid myself up for the world to see.  
TO SEE!  
This time, I'm going to get it right,  
My past should be more than just a memory.  
I said that I would give anything,  
To live my life out and follow my dreams.  
I didn't know what I would be facing,  
and it would take this, and everything from me!

In a world that won't stop,  
on top of all that I love  
I gave this all that I've got,  
SO TAKE YOUR BEST SHOT!  
NOW LISTEN UP! I'M HERE TO SET  
THE STORY STRAIGHT!  
MEET ME AT THE CROSSROADS,  
LET'S GO!
