I've got something here worth fighting for.  
(Give it all, Give it all, Give it all)  
Give me everything that you've got.  
It's all for one, or it's none for all.  
You're giving me the reason to keep coming back  
again and again.  
(Give it all, Give it all, Give it all)  
Not a single voice unheard or unspoken.  
I'm not passing time, not along for the ride.  
You're the fuel to my fire, now watch me burn.

Who needs fame, and who needs fortune?  
Cause I've got guts, and I've got glory.  
We took a shot in the dark, and we might have failed.  
This is our one chance.  
So ready to see how things turn out.

I might have to bite the bullet again.  
Resentment is no longer my cross to bear.  
Bitterness and emptiness are a thing of the past.  
I've found my shelter, I have my home.

I've got something here worth fighting for.  
(Give it all, Give it all, Give it all)  
Give me everything that you've got.  
It's all for one, or it's none for all.  
You're giving me the reason to keep coming back  
again and again.  
(Give it all, Give it all, Give it all)  
Not a single voice unheard or unspoken.  
I'm not passing time, not along for the ride.  
You're the fuel to my fire, now watch me burn.

There's no coming back from this.

This could be my destiny, I won't stray from the path.  
Nothing else can take control of my mind.

I've got something here worth fighting for.  
(Give it all, Give it all, Give it all)  
Give me everything that you've got.

It's all for one, or it's none for all.  
You're giving me the reason to keep coming back  
again and again.  
(Give it all, Give it all, Give it all)  
Not a single voice unheard or unspoken.  
I'm not passing time, not along for the ride.  
You're the fuel to my fire, now watch me burn.  
(Burn)

With screams over silence taking place of the violence,  
Standing together, we are never alone.

With screams over silence taking place of the violence,  
Standing together, we are never alone.

With screams over silence taking place of the violence,  
Standing together, we are never alone.
