Yeah yeah yeah yeah

Ooh, oh, yeah
Yeah yeah yeah yeah yeah

Trapped inside a tiny shell
Trying to crawl out
Looking around, seeing nothing but misery
Longing, wanting reaching needing
All I'm really sayin'
Someone should try to feel what I'm feelin'

Situations, complications, can't you understand? (Tell me about it)

Hey
Everything I say is true
You oughta know what to do
With a girl like me, a girl like me, a girl like me
Hey, what is it that you can't see
All that you'll ever need
You'll find in a girl
A girl like me

Oh, yeah

If you wanna know me you
Have got to show me that
You're willing to ride through the bad times
Crying, waiting holding breakin'
I just keep on askin'
Does anybody really know what I'm sayin'

Implications, my frustrations, can't you understand?
(Tell me about it)

Hey
Everything I say is true
You oughta know what to do
With a girl like me, a girl like me, a girl like me
Hey, what is it that you can't see

All that you'll ever need
You'll find in a girl
A girl like me

Looking out the window
Waiting for the time
Can't hold my breath much longer
Please reach out your hand
I'll do anything I can
To make our love stronger

Oh, yeah
Yeah yeah yeah yeah yeah yeah yeah

Hey
Everything I say is true
You oughta know what to do
With a girl like me, a girl like me, a girl like me
Hey, what is it that you can't see (What can't you see?)
All that you'll ever need
You'll find in a girl
A girl like me

Hey
Everything I say is true
You oughta know what to do
With a girl like me, a girl like me, a girl like me
Hey, what is it that you can't see
All that you'll ever need
You'll find in a girl
A girl like me

Hey (oh, yeah)
Everything I say is true
You oughta know what to do
With a girl like me, a girl like me, a girl like me
Hey (Oh, yeah) what is it that you can't see
All that you'll ever need
You'll find in a girl
A girl like me
