Heli:

Hello World, this is me.

Life should be, mmm-mmm yeah fun for everyone.

Heli:

Every now and then I'm insecure.

Let me show you life can be so pure.

Sieze the day.

Wear a big happy smile on your face.

Janelle:

In every life a little rain will fall.

That won't change my attitude at all.

You are you, I am me, We'll be free.
