Veronica's my name and I'm your favorite girl
I know you wish that I was your best friend in the world
You know I'm a darling and I can be charming, there's
no-one like me
And I'm as pretty as can be

Hey baby
Like sugar and spice
Hey baby
I'm so very nice

I am the best at everything I ever do
So don't be surprised when I cross the finish line before
you
I guess I'm just special, a natural daredevil and luck
rides with me
With more blue ribbons than a whole riding team

But I'm sweet baby
Like sugar and spice
Such a sweet young lady
I'm telling you guys

Hey baby
Like sugar and spice
Hey baby
A little naughty and nice

Hey baby
I am always right
I could never be wrong
On my feet
Just watch when I ride
I'm the best horse rider in sight
But I'm sweet, like sugar and spice

Hey baby
Like sugar and spice
Hey baby
Like sugar and spice
Oh baby

Naughty and nice
Oh baby
I'm sugar and spice
