We can be sweet
We can be brats
Sometimes we fight like sisters
Then make up just like that
We can do anything that big girls can do
Yeah we're gonna show you

That everything we do, we always end up in trouble
I don't know why it is, we always end up in trouble
Well everything we try, we always end up in trouble
Yeah every enterprise, seems to land us in trouble

We can be charming
We can be kind
We can keep secrets that you'll never find
You know that often grownups just don't understand
Sometimes you need to disappear

Cuz everything we do, we always end up in trouble
I don't why it is, we always end up in trouble
Well everything we try, we always end up in trouble
Yeah every enterprise, seems to land us in trouble

We are hockey stars, journalists, actors, nurses,
pedicurists,
Horse groomers, champion riders, newspaper
proprietors,
Manicurists, dry cleaners, business women, hamster
breeders,
Writers, singers, dancers, spies

But everything we do, we always end up in trouble
(Woo!)
I don't know why it is, we always end up in trouble
(giggle)
Well everything we try, we always end up in trouble
Yeah every enterprise seems to land us in trouble (he
he)

But everything we do, we always end up in trouble
(laugh)

I don't know why it is, we always end up in trouble
(rats!)
Well everything we try, we always end up in trouble
(hmp!)
Yeah every enterprise, seems to land us in trouble!

Woo, Woo! Let's go!
Trouble
Yee for ha. Yee ha! Come on!
Trouble
Sing it with me again, come on. Once more!
Trouble
Now let's do it one more time, anytime. Let's sing it
again!
Trouble
