We've got monopolies in weapons and denial
I've got a pocket full of love and engine oil

This is where the fight begins
This is where the fight begins
This is how our lives begin
This is how our lives begin

We've got a bone to pick with you,
We've got a throne to steal from you,
I'm gonna pick my teeth with you,
We got a throne to steal

1 2 3 4 5 6 7 on and on and on and on
1 2 3 4 5 6 7 on and on and on and on
1 2 3 4 5 6 7 on and on and on and on
Lets ride, alright, lets ride into the fight!

We've got a bone to pick with you,
We've got a throne to steal from you,
I'm gonna pick my teeth with you
