I never said I was a one time woman  
I never wrote it  
I never said it  
I should have known you'd leave me out here hanging  
on  
I should have seen it  
I didn't get it

Oh oh oh I don't believe it  
Oh oh oh you never mean it

It's too late, it's too late, it's too late to call back  
yesterday  
It's too late, it's too late I'm just another runaway  
It's too late, it's too late, it's too late to call back  
yesterday  
It's too late, it's too late I'm just a  
Another runaway, Another runaway  
Another runaway, Another runaway

You always said I was your part time woman  
I don't believe it  
I didn't see it  
You always acting like a part time wanna be  
I shoulda seen it  
I didn't get it

Oh oh oh I don't believe it  
Oh oh oh you never mean it

It's too late, it's too late, it's too late to call back  
yesterday  
It's too late, it's too late I'm just another runaway  
It's too late, it's too late, it's too late to call back  
yesterday  
It's too late, it's too late I'm just a  
Another runaway, Another runaway  
Another runaway, Another runaway  
Another runaway, Another runaway

Oh oh oh I don't believe it

Oh oh oh you never mean it

It's too late, it's too late, it's too late to call back  
yesterday

It's too late, it's too late I'm just another runaway

It's too late, it's too late, it's too late to call back  
yesterday

It's too late, it's too late I'm just a

Another runaway, another runaway

Another runaway, another runaway
