Late night, waiting by the phone  
Tonight waiting for an answer  
Heartbeat drumming double time  
I need one more chance to be near you

Still hanging on (for what)  
Can't operate (fired up)  
I won't eat and I won't sleep for you yeah  
No rest till I (get through)  
Coz I'm holding out (for you)  
Am I the only one who's insane

Hey! you're playing with my delirium  
And the longer I wait the harder I'm gonna fall  
Stop! playing with my delirium  
Coz I'm outa my head and outa my self control

Still here in this quiet room  
Deep in delusion sending me over  
Outside watch the world go by  
Inside time stands still as I wonder

Still hanging on (for what)  
Can't operate (fired up)  
I won't eat and I won't sleep for you yeah  
No rest till I (get through)  
Coz I'm holding out (for you)  
Am I the only one who's insane

Hey! you're playing with my delirium  
And the longer I wait the harder I'm gonna fall  
Stop playing with my delirium  
Coz I'm outa my head and outa my self control

(I won't eat and I won't sleep for you yeah)

Hey! you're playing with my delirium  
And the longer I wait the harder I'm gonna fall  
Stop playing with my delirium  
Coz I'm outa my head and outa my self control  
Hey! you're playing with my delirium

And the longer I wait the harder I'm gonna fall  
Stop playing with my delirium  
Coz I'm outa my head and outa my self control
