[Verse 1:]

I just lost a friend
But that's okay right?
She won't come again
But that's okay right?

[Chorus:]

Who told you this is the end
No, I hold my head high
She was nothing but a good friend
Ooh I keep the lid on
Who told you this is the end
I won't hang my head down, my head down, my head
down
She was nothing but a good friend
I won't hang my head down, my head down, my head
down

[Verse 2:]

I've been feeling down that's not okay right?
I worked all I got
Who done my whole life

[Chorus:]

Who told you this is the end
No, I hold my head high
Stop thinking that it will go away
Ooh I keep the lid on
Who told you this is the end
I won't hang my head down, my head down, my head
down
Stop thinking that it will go away
I won't hang my head down, my head down, my head
down

[Chorus:]

Who told you this is the end
No, I hold my head high
She was nothing but a good friend
Ooh I keep the lid on
Who told you this is the end

I won't hang my head down, my head down, my head
down
She was nothing but a good friend
I won't hang my head down, my head down, my head
down
