Simple and Clean

You're giving me too many things

Lately you're all I need

You smiled at me and said,

Don't get me wrong I love you

But does that mean I have to meet your father?

When we are older you'll understand

What I meant when I said "No,

I don't think life is quite that simple"

* When you walk away

You don't hear me say please

Oh baby, don't go

Simple and clean is the way that you're making me feel
tonight

It's hard to let it go

The daily things that keep us all busy

Are confusing me

That's when you came to me and said,

Wish I could prove I love you

But does that mean I have to walk on water?

When we are older you'll understand

It's enough when I say so

And maybe some things are that simple

repeat *

** Hold me

Whatever lies beyond this morning

Is a little later on

Regardless of warnings the future doesn't scare me at
all

Nothing's like before

repeat *

repeat **

repeat **
