Uh...uh, uh, uh

Chorus:

Every little thing that we do

Should be between me and you

The freaky things that we do

Let's keep between me and you

Every little thing that we do

Should be between me and you

The freaky things that we do

Let's keep between me and you

Yo...

Now when I first met her

All i thought was...thong, thong, thong

Like loser lang we can get our freakin on

Baby you know the game slipped away

Slide me your number

It's the last day of spring, see ya first day this summer

I'm a bad motha...shut yo mouth

Pull the drop out

Creep at a low speed

Cuz homey probably know me

I push the peddle

Thought to yours to let em

Way up in the air like i think he's here

Cuz see, every time that i'm alone with you

Homey be checkin' up on you

But if that nigga only knew

You've got a lot of freak in you, babyyy

When that startin' to rain

I pop the roof and the champagne

How jay said? "money ain't a thing"

It's been close to few

Something even impossible

But, it's been between me and you, babyyy

Chorus:

Girl it's on again

Every year..we hummer 'em in

Beaches, houses, hoes, foes, friends

And when the..day ends

That's when it all begins

You wit him..here's my room key (holla at me)

Why ya thinka thinka i'm gon' hit it up

Then look at the nigga ya thinkin' ya love (c'mon love)

We could go there, me and you

Free for, for a night

If ya love it

In the mornin', awake with new light

If i lookin' like i ain't gonna handle his

Let me handle my bizzz

It is what it is

Nigga livin' his life

And that's my bitch

Ya know i gotta wife

Let's keep this thing tight, babyyy

Chorus:

Dont' let the word get out (shhh), babyyy

This is..strictly between me and you, babyyy

If they..new we were doing what we were doing

It'd probably ruin our pre-rent way summer in cancoon-
an and I

Love the way we get away

Throw away a whole day

Turn off the pagers and phones, we in the zone like

Fuck life, we live life, this is our life, live your life

See, every time that i'm alone with you

Shorty be checkin' up on you

But if baby girl only knew

You've got a lot of freak in you, babyyy

Did i ever tell you, my man love what you do

That little thing with your tongue

You the best, who knew?

It's been close to few..at times even impossible

But..it's been between me and you, babyyy

Chorus
