"I Got Mine"

I went down to a little crap game, that was against my
will
Lost every penny that I had in my pocket but a
greenback dollar bill
The man threw the dice right on the floor and the
things they cut like knives
Just then I jumped out the back door, boys, I got mine
I got mine
I got mine
'Round here try to get some good eatin' all the time
And ever since then I've been living all right, I been
living off of chicken
and wine
I belong to the knock down society but I got mine
