Don't need your arse(ass) around here no more
Ain't got no habit, go and score for,
Don't want you stealing for my blow.
I'm gonna be late for the band show,
Woah, woah, woah.

We fought for so long late last night,
Ain't got the willpower left to fight you.
Don't wanna hear your boyband songs,
I need the sense to get my rocks on.

Wanna go dancing, not do your ironing.
Why don't you tone down your guitar?
I've got to go out in my bra now
I've got so much to go get done
Do you think that I look like this for fun, boy?

We fought for so long late last night,
Ain't got the willpower left to fight you.
Don't wanna hear your boyband songs,
I need the sense to get my rocks on.
Get my rock song!

Wanna go dancing, not do your ironing!
Wanna go dancing, not do your ironing!

Wanna go dancing, not do your ironing!
Wanna go dancing, not do your ironing!
Wanna go dancing, not do your ironing!
Wanna go dancing, not do your ironing!

Gonna go dancing, fuck your ironing!
Gonna go dancing, fuck your ironing!
Gonna go dancing, fuck your ironing!
Gonna go dancing, fuck your ironing!
