oh baby let's sit  
make me dinner  
drive to my house  
you're a winner  
send me letters  
make me want you  
blow me kisses  
you know you want to  
use your cash card  
give me flowers  
call me up at  
ungodly hours  
dress me up in  
designer faux fur  
make me your first place  
and i'll lose the bra  
and take me out to see  
drew barrymore movies

give me blood  
make me thirsty  
drive through the country  
feels so dirty  
send me girl porn  
make me horny  
blow me harder  
in the morning  
use your fingers  
through my beefo  
give me phone sex  
make me go go go  
dress me up in  
your mum's high heels  
take me dancing  
let me proper sail  
and take me out to see  
drew barrymore movies

fast car  
no bra  
nice face

my place  
nice tan  
crash bang  
be nice  
hello boys

give me a call some time  
we'll go speed dating
