she knows all the words to the records she's playing  
she mouths them to her boyfriend and he's fucking  
boring  
no one cares about your dj no  
no one cares about your dj no

he's talking way to slow and the boredom's getting  
higher  
she's contemplating how he'd feel if she said 'see you  
later'  
he's wearing an old tshirt and chatting about his skates  
it's time for you to find a new loser date

so shut it  
fermez la fucking bouche  
cause i dont wanna hear your cheap talk sweet talk  
shut it  
fermez la fucking bouche  
leave the room leave the house leave the country

shut it  
he's such a show off  
shut it  
he's such a jerk off  
shut it  
why dont you just fuck off  
and fermez la fucking bouche
