not scared of being me  
i've thrown my cares away  
used to want so much more  
now i think i'm okay  
i never liked myself  
but now i realise  
there's so much more to me  
than my fat ass and thighs

shut the door  
turn the light off  
under covers  
make the noise stop  
sew my eyes closed  
drown in vodka  
tears like acid  
getting smaller

i dont need you now i've got me

not scared of facing you  
i've heard it all before  
you can spit in my face  
cos i know i'm hardcore  
i bet you like yourself  
i hope you realise  
there's nothing more to you  
than your deceit and lies
