now i've got you
i can't lose you
i'm in heaven
everytime i go and see you
we don't talk much
we don't need to
words don't matter
when my heart is feeling like glue

you're the one that
i want to lie on
let me lay down
use your chest to put my thigh on
i'm so open
for abuse
let's drink vodka
til our limbs start getting loose

you're the one, get your gun

open my eyes
not red no more
make me smile
make my lips get sore
wanna taste you
like i don't smoke
make me feel
like i'm not a big fat..

open my eyes
not red no more
make me smile
make my lips get sore
wanna taste you
like i don't smoke
make me feel
like i'm not a big fat joke

now i've got you
i can't lose you
i'm in heaven

everytime i go and see you
we don't talk much
we don't need to
words don't matter
when my heart is feeling like glue

you're the one that
i want to lie on
let me lay down
use your chest to put my thigh on
i'm so open
to abuse
let's drink vodka
til our limbs start getting loose

cos you're the one
