Tahi Rua Toru Four

walk into town, just the other day  
shirts off bro co'z it's too hot aye  
pass your fullahs fanta,  
co'z i got the mean thirsts,  
went to hop in the Bedford,  
but slept in it first,

but what did i see,  
and what did i find,  
my feet kept on going,  
but my jandal was left behind!

there on the road,  
my jandal was stuck  
oh no man gonna have to buy a new pair,  
oh fuck,

(chorus)  
sticky tar day,  
the first day of summer,  
shoes stick to the road,  
and its a real bummer,  
sticky tar day,  
where your jandals will break,  
black stuff on your feet  
what a mess it will make

went to new Briden,  
on my, holiday,  
on a visit it was  
sticky tar day,  
i suffered the consequences,  
so dont even ask,  
tried to walk on the concrete after crossing some  
grass,

pretty bloody hurtfull,  
it wasnt the one,

when that stone jammed in my foot man,  
oh it stuck,

i tried to shake it off,  
but it wouldn't go away,  
i knew then then that was sticky tar day

(chorus)

eh even my uncle Howard thinks so

(uncle Howard)

(hemi)  
walking cross the road,  
ice cream in hand,  
just got it from my whippy bro  
in his tu meke van,  
halfway back to my car,  
heard my jandal go snap,  
but i felt real stink when people started to clap,

(sharon)
