yes
running heavy
back like 8 track
wooo

we always
step to the stress with much finesse
flip first to the sweatin', you're my second guess
we
double down the sound that you never got
counter check the deck but i never stop
rolling and i rock the vote
made a
stack to the roof with the rules i broke
don't
get no pay for the matters i sway
drop the
rock at the hop and have a nice day

oh so smooth
we got it when we groove
those girls aint got no moves
now we're coming for Y.O.U spells
You
oh those girls are bad
stepping with so much class
by this time which
we're sure you look ridiculous

yes
running heavy
on the fly
wooo

we gotta
shot to rebel on the double L
got my 414, got my clientele
we
wiretap the track that you bunny hop
double team the scene but you never stop
faking and i say it plain
counterclaims coming at us like a bullet train

don't
get no pay for the records i play
drop the rock at the hop and have a nice day

oh so smooth
we got it when we groove
those girls aint got no moves
now we're coming for Y.O.U spells
You
oh those girls are bad
stepping with so much class
by this time which
they did it up i know you cheated

oh so smooth
we got it when we groove
those girls aint got no moves
now we're coming for Y.O.U spells
You
oh those girls are bad
stepping with so much class
by this time which
we're sure you look ridiculous
