over the range  
the secret is what we became  
now only the secret remains

don't settle on me now  
the cover is blown with a touch  
we go when they're asking too much

got a history and its catching up  
crossed the nation like a rolling blackout  
got the mystery but its not enough  
ain't a prison but you'll never get out

realise  
staying over is yr only prize  
now i know  
some forget...  
but i don't

the road before us  
we move on and never let out  
the things we had whispered about

back to the mirror now

theres nobody left to defend  
its here that my loyalty ends

got a history and its catching up  
crossed the nation like a rolling blackout  
got the mystery but its not enough  
ain't a prison but you'll never get out

realise  
staying over is yr only prize  
now i know  
some forgive...  
but i don't

no delay  
get out today  
get out if only i could

letting go  
i could say no...  
but i won't
