is in love?, hate, way of life or faith  
what should I do  
just to be with you  
what should I say  
or it has to be your way  
and its killing baby  
hohh yeah  
its killing me

I just want you to see baby  
Look at me

As long as I can live  
I want you next to me  
As long as life can be  
Why cant you see  
That we are ment to be  
I want you next to me  
As long as life can be  
It has to be you and me  
Hohh

is it I sure or the way things are going through  
is in love?, hate, way of life or faith  
what should I do  
just to be with you  
what should I say  
or it has to be your way  
and its killing me baby [baby..]  
Ooohh its killing me [its killing me]  
I just want you to see baby  
Look at me

Hohhh

As long as I can live  
I want you next to me  
As long as life can be  
Why cant you see  
That we are ment to be  
I want you next to me  
As long as life can be  
It has to be you and me  
As long as I can live  
I want you next to me  
As long as life can be  
Why cant you see  
That we are ment to be  
I want you next to me  
As long as life can be  
It has to be you and me

I didnt know that untill I met you  
I loved only myself  
Now is the time  
To tell you  
Till the rest of my life I don't want nobody else

Huhh

And its killing me baby [baby..]  
Ooohh its killing me [its killing me]  
I just want you to see baby  
Look at me  
Hooohh

As long as I can live  
I want you next to me  
As long as life can be  
Why cant you see  
That we are ment to be  
I want you next to me  
As long as life can be  
It has to be you and me  
As long as I can live  
I want you next to me  
As long as life can be  
Why cant you see  
That we are ment to be  
I want you next to me  
As long as life can be

It has to be you and me
