I look at you, my heart starts to pound
Up with the tempo, higher with the sound..
I hear your voice.. it makes me wanna sing
I take my clothes off, naked in the wind

I look at you, my heart starts to pound
Up with the tempo, higher with the sound..
I hear your voice.. it makes me wanna sing
I take my clothes off, naked in the wind

There is nothing I can do about it
This feeling (takes me over)
There is no way i can live without it
The feeling

I will find a way,to make you mine
It will take me forever and ever
But I'll never stop from tryin' baby

I will find a way, to make you mine
It will take me forever and ever
But I'll never stop from tryin'!

Night turns day, left is right
I cannot sleep, I stay awake all night
I cannot reach you, I cannot touch
Feel like crazy, baby.. is just too much

There is nothing I can do about it
This feeling (takes me over)
There is no way i can live without it
The feeling

I will find a way,to make you mine
It will take me forever and ever
But I'll never stop from tryin' baby

I will find a way,to make you mine
It will take me forever and ever
But I'll never stop from tryin' baby..

Baby, There's a way to your heart..

To make you mine, Ohhhh..Ohhhh..
To make you mine Ohhhh..Ohhhh..
Forever and ever
Ohhh...Forever and ever

I will find a way, to make you mine
It will take me forever and ever
But I'll never stop from tryin' baby

I will find a way, to make you mine
It will take me forever and ever
But I'll never stop from tryin' baby!

Baby, There's a way to your heart..
