Tonight, its gonna happen  
our lives shiney and new  
tonight, free all my desires  
make my dreams come true  
tonight, express my own opinion  
i give you something new  
tonight, throwing my decision  
just look at me, this is what i do

CHORUS:

so I'm gonna be  
what i wanna be  
and then you will see  
it's a new me  
it's a new age  
out of my cage

so beware I'm not gonna spare  
anyone who dont have fun  
you can try to hide  
but you may not run  
but you can escape  
for a nice game  
open rhythm it's the sound of freedom

this is freedom...

tonight my temptation  
is taking a new direction  
beyond our expectations  
don't be so naive  
tonight I'll make you believe in me  
flirt with my credibility  
it's all about integrity  
what you get is what you see

CHORUS....

so I'm gonna be what i wanna be  
and you will see its a new me  
x2

I'm gonna, I'm gonna, I'm gonna be e e e
