If you get up and walk away  
Leave the past behind  
Go ahead and take a ride  
No telling what you'll find

The words you say don't mean a thng  
They fly right by my eyes  
Lokin the mirror don't look at me  
Maybe then you'll realize

#### CHORUS

So get up and go  
If you're so tired of moving slow

I was on the inside  
Looking out for you  
But you're the one to make the change  
There's nothing I can do

Now's the time for you to move  
Actions shout out loud  
So cut the talk and move your feet  
Cuz words get lost in crowds

#### CHORUS

Quit talking  
Start walking now
