Can you hear them  
They talk about us  
Telling lies  
Well that's no surprise

Can you see them  
See right through them  
They have no shield  
No secrets to reveal

It doesn't matter what they say  
In the jealous games people play  
Our lips are sealed

Careless talk  
Through paper walls  
We can't stop them  
Only laugh at them

Spreading rumors  
So far from true  
Dragged up from the underworld  
Just like some precious pearl

It doesn't matter what they say  
In the jealous games people play  
Our lips are sealed  
Pay no mind to what they say  
It doesn't matter anyway  
Our lips are sealed

There's a weapon  
We must use  
In our defense  
Silence

When you look at them  
Look right through them  
That's when they'll disappear  
That's when you'll be feared

Hush, my darling  
Don't you cry  
Quiet, angel  
Forget their lies
