Been running so long, I've nearly lost all track of time
In every direction I couldn't see the warning signs
I must be losin' it 'cause my mind plays tricks on me
It looked so easy, but you know looks sometimes
deceive

Been running so fast right from the starting line
No more connections I don't need any more advice
One hand's just reaching out and one's just hangin' on
It seems my weaknesses just keep going strong

Head over heels, where should I go?
Can't stop myself, outta control
Head over heels, no time to think
Looks like the whole world's out of sync

Been running so hard when what I need is to unwind
The voice of reason is one I left so far behind
I waited so long so long to play this part
And just remembered that I'd forgotten about my heart

Head over heels, where should I go?
Can't stop myself, outta control
Head over heels, no time to think
Looks like the whole world's out of sync

Head over heels, where should I go?
Can't stop myself, outta control
Head over heels, no time to think
Looks like the whole world's out of sync

Head over heels, where should I go?
Can't stop myself, outta control
Head over heels, no time to think
Looks like the whole world's out of sync

Head over heels, where should I go?
Can't stop myself, outta control
Head over heels, no time to think
Looks like the whole world's out of sync
