Can't take anymore  
My head's spinning 'round  
Goin' back and forth  
Goin' up and down

Don't know where I stand  
Someone always loves a little more  
And I think it's me

Sometimes I think you care  
And then you don't  
Then I think you will  
And then you won't

I don't know where I stand  
Someone always loves a little more  
And I think it's me

Wonderin' why I feel this way  
Could it be something that you said  
Or is it just some daydream  
When I think of you and me

Then I see you pass me by  
With that certain look in your eyes  
Now I'm back where I began  
Not knowin' where I stand  
I think it's me

Go ahead now take a chance  
Don't worry 'bout losin' another romance  
I don't know where I stand  
Someone always loves a little more  
And I think it's me

I think it's me  
I think it's me  
I know it's me
