

The Go-Go's "Kissing Asphalt"

Manic senses overloaded
Frantic fun day a la moded
Always falling on my face
But I need to stay in hyperspace

I am spinning out
Kissing asphalt
It's all crashing down
Kissing asphalt
I am pavement bound
At the speed of sound

Head rush holding breath distraction
Love to be in love reaction
I'll miss out if I move too slow
Gotta go-go way past go

I am spinning out
Kissing asphalt
It's all crashing down
Kissing asphalt
I am pavement bound
At the speed of sound
