

The Go-Go's "Speeding"

I can't explain the way I feel
Each time I get behind the wheel

The rush of blood comes
As the power surges
And my right foot urges
The car to push on through the night

Driving faster
Driving past the scenery
And pretty view and

Feel the speed and
I don't dream of
Driving slow some other time

One thing I'm certain that I know
All I want to do is go, go, go

Everything is rushing by
My heart is pounding deep inside
I gotta match the engine's pace
Win imaginary race, yeah

Driving faster
Driving past the scenery
And pretty view and

I feel as though I've
Got to control my
Reckless need to speed and speed

And speed
And speed
And speed
And speed
