We all know the chosen toys
Of catty girls and pretty boys
Make up that face
Jump in the race

Life's a kick in this town
Life's a kick in this town

This town is our town
It is so glamorous
Bet you'd live here if you could
And be one of us

This town is our town
It is so glamorous
Bet you'd live here if you could
And be one of us

Change the lines that were said before
We're all dreamers, we're all whores
Discarded stars
Like worn out cars

Litter the streets of this town
Litter the streets of this town

This town is our town
It is so glamorous
Bet you'd live here if you could
And be one of us

This town is our town
It is so glamorous
Bet you'd live here if you could
And be one of us

This town is our town
It is so glamorous
Bet you'd live here if you could
And be one of us

This town is our town

It is so glamorous
I bet you'd live here if you could
And be one of us

This town
This town
This town
This town
