

The Go-Go's "Unforgiven"

Always trying to clean up my catastrophes
Taking full responsibility
Living my life like every day is the last
Remodeling the wreckage of my past

But when it comes to you
I know I said I do
But I don?t, no, I don?t

You?re unforgiven, so go on living
Knowing that I've unforgiven you
And my thanksgiving came the day
I saw it was okay to unforgive you

Confessing every sin doesn?t make me a saint
Even though it?s obvious, I?ve changed
Once I forgave you but I did not forget
Now I?m taking back everything I said

You?re unforgiven, so go on living
Knowing that I've unforgiven you
And my Thanksgiving came the day
I saw it was okay to unforgive you
