Walking around it's clear I'm worlds away  
Thinking with only half my mind  
Found myself wanting to be sleeping  
To be dreaming, to be worlds away

Slip into bed the sheets are cold and smooth  
My tension melts to a quiet warm  
Find myself waiting to be sleeping  
To be dreaming, to be worlds away

I wanna be worlds away apart from the day to day  
I know I'll be okay when I get worlds away  
Worlds away, worlds away, worlds away, worlds away

Slipping away to somewhere in my heart  
Go to a world where no one's been before  
That's when I find myself not quite sleeping  
But still dreaming and I'm worlds away

I wanna be worlds away apart from the day to day  
I know I'll be okay when I get worlds away  
Worlds away, worlds away, worlds away, worlds away

Worlds away  
Worlds away  
Worlds away
