Last night you slept, you slept in fits
You smashed your windows bit by bit
You cried out, a bad dream
Horror pictures, what a scene

Which way will things go tonight?
Toss and turn or sleep tight
You can't win, you wonder why
That sleep is one thing you can't buy

You can't walk in your sleep
If you can't sleep
You can't talk in your sleep
If you can't sleep

Downed that pill hours ago
Time is passing, oh so slow
Watch the clock, you're waiting
Five o'clock and the world is waking

That's the way things went tonight
Tossed and turned, though you were tight
Exhaustion brings on desperation
Well, there's still some consolation

You can't walk in your sleep
If you can't sleep
You can't talk in your sleep
If you can't sleep

Last night you slept, you slept in fits
You smashed your windows bit by bit
You cried out, a bad dream
Horror pictures, what a scene

Which way will things go tonight?
Toss and turn or sleep tight
You can't win, you wonder why
That sleep is one thing you can't buy

You can't walk in your sleep
If you can't sleep

You can't talk in your sleep
If you can't sleep

Can't walk, can't talk, can't sleep
I can't walk, I can't talk, I can't sleep
