In the naked light I saw
Ten thousand people maybe more
And we put into the street
And gathered by the wall

I feel so lost in the city
Sometimes I think it's gonna swallow me whole
I should melt into the ground
Become one with the paving of my home town

Yeah, they buried us in the 80s
Yeah, they buried our bones in the 80s

And we join a silent prayer
Hoping somebody will be there
I can see fear in your eyes
But it's alright to be scared

I feel so lost in the city
Sometimes I think it's gonna swallow me whole
I should melt into the ground
Become one with the paving of my home town

Yeah, they buried us in the 80s
Yeah, they buried our bones in the 80s

It's a light in the heat
Come now you children are the peace
Put on your boots and your chains
We will bring them to their knees

We feel so lost in the city
Sometimes I feel it's gonna swallow us whole
I should melt into the ground
Become one with the paving in my hometown

Yeah, they buried us in the 80s
Yeah, they buried our bones in the 80s
Yeah, they buried us in the 80s
Yeah, they buried our bones in the 80s
