Spineless

Don't forget to ask permission  
Bend over forward and open up wide  
Are you too scared to make decisions  
Close your eyes and hurry to hide

You call yourself a believer of god  
Say that you follow his words  
and you keep feeding us lies

Nuremberg top hit words  
"We only did what we were told"  
One man is leading the rest of the herds  
Silence is silver compliance is gold

The sign of messiah will alter your mind  
Claim that you see but you're blind  
And you still feed us your lies

You're grabbed by the balls  
You're nailed to the wall  
Don't you know that you're spineless?  
No backbone at all, I'll laugh when you fall

You have to look up when you're down on your knees  
Self contempt makes you feel sick  
We understand that you're eager to please  
It's hard to protest with a mouth full of d\*\*k

You call yourself a believer of god  
Say that you follow his words  
And you keep feeding us lies

You're grabbed by the balls  
You're nailed to the wall  
Don't you know that you're spineless?  
No backbone at all, I'll laugh when you fall

You're not a part of the solution  
If you think you're a part of machinery

Won't believe a word you say  
Don't judge me  
I want you out of the system
