J is for the jumps  
Yall punks do  
talkin' junk once  
the next time I'm a come for U  
A is for the attitude I get  
Talkin' spit  
You won't speak no mo' when i get my click  
Y is for the yolk  
I choke  
Out of your throat  
I spoke once, and I ain't goin' speak no mo'

Jay is my name  
I play no games  
Since yall know bout me Ray do yo' thang

R is for the riggle rhyme  
hit em' in the spine  
and when he come up I'm a take what's mine  
A is for the act.  
I pack  
up in a sack  
get back  
matter a fact  
'Guess Who's Back'  
Y is for the yes  
so don't mess wit me  
better confess  
that I'm the best  
This is the end of the story
