I guess you're really mad this time
I don't know what to say
It's such a small thing for you to dwell on
Have you not seen a woman break down?
You can't take much, can you baby?

I'm not sorry
No I'm not sorry

Color in between the lines
Keep it on the right side
Say, "Please" and "Thank you"
Well, I don't want to

Tell me one more time what I did
My memory of that night is vague
I wore a short dress?
I kissed somebody?
I started a fight?
I kissed somebody?

You want a woman without passion
You want it easy?
Well get a dog then
You can't take much, can you baby?

Well, I'm not sorry
No I'm not sorry

Follow all of the rules
Even-tempered and cool
Keep it under my hat
Well, I can't do that

Tell me one more time what I did
Something you cannot forgive
I wore a short dress?
Too much lipstick?
I fell off my shoes?
I fell off my shoes?

Well, I'm not sorry

I'm not sorry
I'm not sorry

I guess you're really mad this time
I don't know what to say
I want to please you but I can't seem to
It's not enough to call your bluff
And if it's over, well I will miss you

But I'm not sorry
No I'm not sorry

Color in between the lines
Keep it on the right side
Say "Please" and "Thank you"
Well, I don't want to

Tell me one more time what I did
This time I will write it down
I cried a little?
I laughed too loud?
I cried a little?
I laughed too loud?

But I'm not sorry
I'm not sorry

I guess you're really mad this time
I don't know what to say
It's such a small thing for you to dwell on
Have you not seen a woman break down?
You can't take much, can you baby?

I'm not sorry
No I'm not sorry

Follow all of the rules
Even-tempered and cool
Keep it under my hat
Well, I can't do that

Tell me one more time what I did
My memory of that year is vague
I cried a little?
I laughed too loud?
I ran the stoplight?
I kissed somebody?
