When I was a boy  
There was no limit to what I could eat  
Shake after shake after shake after shake  
Followed by all kinds of red meat  
Metabolism runnin' around so fast  
My body never gained to weight  
That pissed off all my Momma's friends  
And made my big-boned sister irate  
But now I'm a man  
And all that frolicking has caused my ego to hurt  
'Cause even when I'm in the shower alone  
I'm to embarrassed to remove my shirt  
What made a millionaire out of Mr. Frito-Lay  
Made a fat mother fucker outta me  
What made a millionaire out of Mr. Frito-Lay  
Made a fat mother fucker outta me  
And all them cookies I been munching lately  
My feet are becoming difficult to see  
I believe it was my Daddy  
Who led me to this eating disease  
By calling me "The Little Candy Ass"  
When I couldn't finish a burger with cheese  
Or maybe it was my Momma  
Who got me addicted to all the wrong foods  
Only when I gobbled down every chicken cutlet  
Would I get to see Momma's good moods  
They said eat this, they said eat that  
To stay skinny there was no chance  
And now when I walk I hear corduroy  
Even though I ain't wearing pants  
What made a millionaire out of Mr. Frito-Lay  
You fat fuck, You fat fuck  
Made a fat mother fucker outta me  
What made a millionaire out of Mr. Frito-Lay  
You fat fuck, You fat fuck  
Made a fat mother fucker outta me  
And all that ice cream I been eating lately  
My chins alone weight 203  
The diet starts tomorrow!  
I have a grapefruit for breakfast  
For lunch a brown of white rice

Dinnertime it's a saltless potato  
I ain't allowed no spice  
If this diet's gonna work  
Tonight I can't eat no more  
"Just go to sleep," I say to myself  
As I close the bedroom door  
Two in the morning, I wake up to piss  
My belly's hungry and achin'  
Tiptoe to the kitchen, fuck the diet  
Bring on the chips flavored with bacon  
What made a millionaire out of Mr. Frito-Lay  
Made a fat mother fucker outta me  
What made a millionaire out of Mr. Frito-Lay  
Made a fat mother fucker outta me  
And all them crumb-cakes I been eating lately
