Schnine

He's a pretty good guy  
He's nice to his neighbors, uh huh  
You can count on him to buy your school candy bars  
He's a real nice guy  
He always got the jumper cable, uh heyow, uh heyow  
He'll take your mail in when you're on vacation  
He's a good-hearted man  
Volunteers at the library, hey ho  
He'll help you find a book on whales  
He's a thoughtful man  
Remembers your boithday, yuh, heyow, heyow  
Says G-d bless you when you sneeze

But there's a problem  
It's not your average problem  
But it's a pretty big problem  
His hobby is moyda  
His hobby is moyda  
He'll eat hamboyga  
Then commit moyda

He's a friendly guy  
He waves to all the joggers, hey hi  
Children use his backyard as a short-cut, hoo, heyow  
He's a real sweet guy  
He'll take you to the airport, say hey  
You can borrow his snow-blower anytime you want, you know that  
He's a cool, cool guy  
He always recycles, hidy hi hidy ho  
Referees the Junior High basketball for no pay, oh yeah  
He's a great, great man  
He'll sign your petition, hee haw  
Then proceed to compliment your new haircut

But there's a problem  
It's not a common problem  
But it's a pretty big problem  
His hobby is moyda  
His hobby is moyda

South of the boyda  
He's wanted for moyda

Here he comes  
Hey Larry, how ya doin'?  
How's the garden coming?  
You know, it's interesting  
I just read at the library  
That you need to rotate the soil  
To get real plump, red tomatoes  
Oh, and one more thing

My hobby is moyda  
Two, three, four  
I'm a sick man  
My hobby is moyda  
I'll eat at hamboyga  
Then commit moyda, eyeah, heeyeah

I never loiter  
After committing the doity deed of moyda

Only Sigmund Freuda  
Knows why I cannot and will not stop committing moyda

Murder, murder, murder, murder, murder
