I never read it in a book  
I never saw it on a show  
But I heard it in an alley on country radio

If you want a drink of water  
You gotta get it from a well  
If you wanna get to heaven  
You got to raise a little hell

I never felt it in my feet  
I never felt it in my soul  
But I heard it in an alley  
Now it's in my rock and roll

If you want to know a secret  
You got to promise not to tell  
If you want to get to heaven  
You got to raise a little hell

I never thought it'd be so easy  
I never thought it'd be so fun  
But I heard it in an alley  
Now I've got it on the run

If you want to see an angel  
You got to find her where she fell  
If you want to get to heaven  
You got to raise a little hell

You got to raise a little hell  
You got to raise a little hell  
You got to raise a little hell  
You got to raise a little hell  
If you want to get to heaven  
You got to raise a little hell  
If you want to get to heaven  
You got to raise a little hell  
If you want to get to heaven  
You got to raise a little hell
