#### [Introduction]

(Let's Go) It's the N.B.A!  
(YEA) They cheerin for me  
(Huh it's me) And now (captain of the team)  
(I love you too) (Alright let's go) Startin at  
(I love you too!) All 5 positions (ha-ha)  
Straight from Harlem N.Y.C  
(Lights out for me) it's Jae Millz  
Ownin on the beat...it's the N.B.A!  
UHUHH!

#### [Chorus]

We up and down the court  
Back and forth  
Save the talk for the post-game  
It's time to ball  
It's the N (n) B (b) A (a)  
N (n) B (b) A (a)!!  
I'm shootin, I'm dishin  
I'm dippin, I'm dunkin!  
Nobody lazy on my team  
Playa we all runnin  
It's the N (n) B (b) A (a)  
N (n) B (b) A (a)!!

#### [Verse 1]

Homie I'm too fast for an instant replay  
You gotta freeze that, speed back  
The defender ain't even see that  
Guardin me is like the ref. tryin to D' Shaq  
Or seein a citizen tryin to guard T-Mac  
Don't even reach haters  
I'm like B. Davis  
One dribble (LOOK)  
Now I'm past three playas  
No matter who you ask (ask)  
I'm the main topic  
Roll it better than Gerve  
Not even Yao can block it  
When I'm heatin up

There's no way to stop it  
Perform like LeBron

Dribble up stop and pop it  
I'm like Jermaine O'Neal  
K.B K.G  
Fresh outta high school  
Playa don't hate me  
Get the roc and switch speed fast like Steve Nash  
And get my Jason Kidd on and dish off a sweet pass  
And just when you think the lane to the basket is empty  
I finish it off with an oop like Finely OH!

[Chorus]

[Verse 2]

I'm tough in the zone  
Can nobody stop me? (Nobody)  
And I love this game  
It's not just recreation or a hobby  
No point-guard  
But my no-look is swifter than Vlade's  
And my young energetic defense is like Omarie's  
So don't drive down my lane  
Cuz like Artest  
I won't just lock you up  
I'll rap you in chains  
And in offense  
Who you gon get to get me  
When I'm movin' through the D swiftly  
Rainin on 'em like Nowitzki  
Droppin trips like Stojakovic  
My shot fierce like Paul Pierce  
I barely acknowledge picks  
Put your best man on me  
Put your whole camp on me  
I'll leap over your team like Vincanity  
Or Shawn Marion cause I be jumpin  
But my game is big  
Like T.I.M Duncan  
My heart is huge like Iverson's  
And if you ever guard me, like Marbury  
I'm invitin 'em and slicin 'em

[Chorus]

[Verse 3]

I doubt you find anyone as smooth as this  
I'm a Vet like Erving  
Whether it's Johnson or Julius  
The court is where my heart beat

You can't guard me  
I'm a beast on the court  
Like Lenny B. and Barkley  
If I want I can glide like Clyde  
Or drain three's in your eyes  
Like Byrd from any side  
I could, lace up my sneaks  
And leap like Dominique  
Or I, could give your team flashbacks  
Of Pistol Pete point blank  
Gettin the win for my team is the job  
That's why, on the court  
I'm the King like Bernard  
All in above the rim like Daryl Dawkins  
Or flat our single handedly  
Disgracing your team like Jordan  
Either way I'm puttin it down  
Playa I been had games  
Since I've checked  
The Mack-a-Do was around  
You ain't gotta ask  
You know how I'm built  
Drop three digits on your team  
Alone like Wilt  
You know what it is  
YEAA!

[Chorus]
